Signature of Bidder

Executive Engineer(South)

GENERAL TERMS AND CONDITION

1. Eligible and interested bidders should drop complete and sealed tender in the tender box as stated in the 1st page of DNIT. Each and every page (including blank pages) of tender format should be signed by the bidder which will be part and parcel of the tender agreement. Attested photocopies of valid documents as per direction of tender should invariably be enclosed with the tender and otherwise the tender will be rejected. No unwanted paper should be enclosed with tender. Bidder must write bidder's own name and address very clearly in the cover of the sealed envelope.
2. Without EMD in appropriate shape, the tender will summarily be rejected.
3. The successful bidder (supplier or contractor while supply order/ work order will be issued) shall have to deposit security money @ 5% of value of supply order/work order but not below the EMD ` 1.0 lakh in favour of the undersigned in appropriate shape as desire by the authority within 3(three) days from the date of receipt of supply/ work order and sign a formal agreement with the authority within allowed period as per supply/ work order. But in no case security money deposit should not be less than the deposited earnest money. In that case deposited earnest money will automatically be converted into security money.
4. Bidder may be asked by the undersigned for negotiation/ justification/ analysis of quoted rates after opening of the tender.
5. Approved rates will remain valid for 1(one) year from the date of approval of rates without any price variation clause.

6. Purchase quantity may be increased or decrease or dropped from the purchase schedule as stipulated in the DNIT.
7. The contractor shall submit test certificate from Govt. Laboratory or CIPET , Bhubaneswar alongwith each consignment.
8. Carrying cost of materials will be borne by the Supplier/Contractor, Rate should included VAT/ST, IT, loading/unloading, carrying weighing, stacked etc. complete up to work site.
9. To write DNIT number and date, name of item, bidder's name and address in the envelope containing complete tender and to seal the envelope by wax or self adhesive tape (cello tape). The sealed envelope must be addressed to the Executive Engineer(South), Department of Agriculture, Udaipur, Gomati.
10. All documents as mentioned under instruction to bidder will be inserted into an envelope and sealed properly. ***No unwanted paper should be enclosed along with tender.***
11. Tender may be dropped in the tender box, kept in the office chamber of tendering authority or sent by post (Registered with A/D). In both the case tender has to reach the tendering authority positively within the last date of dropping (as mentioned in 1st page of DNIT).

Signature of Bidder

Executive Engineer(South)

12. **Price variation clause:-** Price should be fixed and firm in all respect. No price variation will be allowed and applicable in case of variation in materials cost, transportation cost. Revision of excise duty, TVAT, CST/VAT and all other taxes / charges will be in the accounts of tending authority.
13. The deduction of TVAT at source shall be at the rate as notified by the Government from time to time.
14. Any clarification/explanation if any regarding the tender should be sought from the undersigned before dropping of tender.
15. **Clarification, Negotiation:** After opening of the tender(technical bid) bidders may be asked to appear before a team of officers headed by the tendering authority for clarification, justification, analysis and negotiation of the quoted rates along with all original /relevant documents as wanted in the tender and additional documents wanted subsequently if any. Bidder may be asked more than once for negotiation. If they fail to attend the meeting as per program or fail to produce any original document their bid may be rejected forfeiting entire EMD and blacklisted for two years.

After opening of tender(financial bid) if the rate of any item(s) found same as quoted by two or more bidders in that case all the eligible lowest bidders will be called for submitting reduce rate separately in a sealed cover to determine the 1st lowest bidder and lowest rate to be processed for finalization of rates. However the purchaser has full power to split the quantity among the initially lowest bidders if necessary subject to the condition that they agreed to supply as per the approved rate of department.

16. **Delivery period:-** Any ordered quantity should be executed positively within 15 days from the date of issuance of supply order. The supplier should have sufficiently ready stock so that materials can be supplied as and when required During the supply of materials the supplier should be solely responsible and any legal interference of police/sale tax/transport/any others Government agencies will be faced by supplier.
17. **Cost of certified copy of agreement:** The supplier is entitled to have a certified copy of relevant agreement at the cost of INR 1.00 per written page of agreement subject to minimum ` Rs.500.00.
18. **Sample:** After opening of tender, bidder may be asked to submit sample which is non refundable.

1. Truth of the submitted documents is to be established by the contractor if it is required.
2. Engineering-In-Charge may send samples collected from each lot of supplied materials for testing to any Govt. Department reputed laboratory/test house of his choice *for which expenditure related to testing to be borne by the bidder.*
3. Materials may also be inspected by the departmental inspection committee / Engineer-in-charge. For post delivery inspection, the inspection committee / Engineer-in-charge will select sample by random method from the supplied lot. The cost involved for the test shall have to be borne by the supplier. Decision of committee or Engineer-in-charge to accept / reject the supplied stores is final. If any unspecified material is supplied then entire lot may be rejected or supplier may be asked to replace the lot or penalty may be imposed on the supplied lot at the percentage by which deviation will occur with respect to the standard requirement. In case of replacement, this should be replaced by the supplier at his / her own risk and cost within 48 hours from rejection. Materials inspected by the departmental

inspection committee / Engineer-in-charge and decision of committee or Engineer-in-charge to accept / reject the supplied materials is final.

4. Time is the main essence of the contract and no time extension shall be entertained without any genuine ground as well as approval of the higher authority.
5. The successful tender shall have to execute a formal agreement in PWD Form- 9 with the Department within 07 (seven) days from the date of issue of supply order and comply with all terms and conditions as per clauses provided in the agreement. Failing to execute the agreement within 07 (seven) days, the supply order shall be treated as cancelled.
6. The UPVC 50 mm dia(NB) should be stacked properly in the stack-yard and measurement will be taken as per provision of specification of storing subject to condition of general specification.
7. Materials should be measured in presence of the concern I/O. After the measurement the materials should be placed in the work site in measurable shape as per direction of the Engineer-in-charge.
8. If any supplied quantity is rejected by the Engineer-In-Charge, this should be replaced by the supplier at his/her own risk and cost within 48 hours from rejection.
9. If any bidder suppresses any fact in the tender and subsequently it is unearthed, their tender will be rejected and necessary punitive action including total forfeiture of EMD/Security money/ Rescind of agreement/ cancellation of supply order/ barring from participation of future tender will be taken against him.
10. Supply order will be issued by the tendering authority, but the supply should be materialized in consultation with the concerned implementing officer of the work as written in the supply order and the bill should be raised through the concerned I/O only.
11. Bidder should submit a sample as & when it is asked by the tendering authority which is non refundable. If quality of any supplied item differs from the submitted sample, materials will be rejected.
