**STATUS OF PMKVY 2.0 SCHEME STATE COMPONENT FY 2018 -20**

Directorate of Skill Development was set up in 2015 with an objective to bring more focus and coordination in skill development in the state in a holistic manner. All the programmes are being implemented in coordination with various stakeholders such as National Skill Development Corporation, State Line Departments, Sector Skill Councils, Training Providers and Industry Partners.

Under the flagship programme “Pradhan Matri Kaushal Vikas Yojna-2.0, (PMKVY)- State component scheme in the between the fiscal year of 2018 -19, DSD has approved targets to 29 NSDC Registered training providers across 22 sectors for 43 different trades. As per the latest sanction from Ministry of Skill Development and Entrepreneurship, Government of India the target is being revised from 36,875 to 28,960 for the state of Tripura. The total target allocated across 48 SMART accredited training centres is 27,300 in FY 2018-20. Out of the allocated targets (27,300), 6081 candidates are already trained and 1560 candidates are currently undergoing training. Till date, TPs have registered placement data (wage and self) for 1016 candidates and the process is ongoing.

Rubber sector is one of the priority areas in Tripura and keeping that in mind, DSD focused on providing short term training in collaboration with Rubber Board and Rubber Skill Development Council (RSDC). Total 5640 target has been allocated till date for training on three different job roles As per the survey conducted by RSDC in last financial year there has been a 7% growth in Rubber Latex Production and which may be contributed to the skilling of the manpower in the Rubber sector.

Understanding that there will be an immediate requirement of Goods and Service Tax consultants in the state, DSD also allocated 270 targets to one Training Provider under the GST Accounts Assistant Job role soon after launch of Goods and Service tax.

Government of Tripura is focusing on Tourism sector and with the increasing demand of skilled manpower in the sector; DSD allocated 1290 targets across different job roles. The job roles for which the trainings are initiated are Multi cuisine cook, Street Food Vendor, Tour Escort, Front Office Associate and Food and Beverage Service Steward.
