Subject: Preparedness measures for ensuing Extreme Severe Cyclonic Storm "FANI".

Sir,

I am directed to inform that the Extreme Severe Cyclonic Storm "FANI" has made landfall in Odisha today morning and likely to move north-northeastwards. As per the IMD bulletin, after the landfall of "FANI", the same is very likely to move further north-northeastwards and emerge into Bangladesh on 4th May evening as a Cyclonic Storm with wind-speed 60-70Kmph gusting to 80Kmph.

2. So far, as per the projected path of the Cyclone, some of the outer bands of "FANI" are reaching towards Tripura and adjoining areas which are giving rise to small thunderstorm clouds in the region. However, the situation may adverse if there is any change of direction of the projected path.

3. In view of responding to any impact of the cyclone "FANI", I am further directed to take all precautionary measures at your end and keep close watch to the updated situation from time to time. May also report to this Department/ through "Daily SITREP Tripura" Whatsapp group on the action taken on the subject.
